

MINT INCLUDED IN FTSE4GOOD INDEX SERIES FOR THE 3rd CONSECUTIVE YEAR

Minor International Public Company Limited ("MINT") announced today that it is included in the FTSE4Good Index Series. This is the 3rd consecutive year that MINT is recognized for its Environmental, Social and Governance (ESG) best practices.

The FTSE4Good Index Series is designed to help investors integrate ESG factors into their investment decisions. The indexes identify companies that demonstrates strong ESG practices measured against globally recognized standards and are used as a basis for tracker funds, structured products and as a performance benchmark. The ESG Ratings are used by investors who wish to incorporate ESG factors into their investment decision making processes, or as a framework for corporate engagement and stewardship.

William E Heinecke, Chairman and Group CEO of MINT commented, "We are honored to be included in this highly-respected index for three consecutive years. This is a great testament to our commitment and efforts for making a lasting positive impact to our stakeholders and environment. We will continue to advance our sustainable practices in every facet of our businesses in order to achieve a better and more sustainable future for our stakeholders in the long term.
